

Sinful Saltines

Submitted by Clara Rowe

40 saltines (do not use unsalted)
1 cup butter
½ cup sugar
12oz (2 cups) chocolate chips
½ cup chopped pecans

Preheat oven to 350°. Line a jelly roll pan with foil and cover bottom with saltine crackers, salt side up.

Melt butter and sugar in saucepan, bring to a full boil. Pour over saltines and bake 10 minutes.

Remove pan from oven and sprinkle with chocolate chips. As they melt, spread chocolate smoothly over crackers. Sprinkle with chopped pecans and refrigerate until cool. Break into pieces. Keep refrigerated in an airtight container.
