Pour cake mix into a medium bowl and scoop out 1 cup dry mix; reserve for later. To remaining mix add 1 egg and ½ cup melted butter and mix well. Spread in bottom of baking dish; wet hands to press batter evenly around pan.

In bowl stir together 3 eggs, pumpkin, evaporated milk, brown sugar and cinnamon. Mix well and pout over cake layer.

To reserved cake mix, add ¼ cup butter and ½ cup sugar. Stir well with fork and pour over pie layer. Bake for 1 hour 15 minutes. Center of cake will be soft but will firm up as it cools.
