

Salted Caramel Mocha Latte

Latte Mix:

½ gallon (8 cups) whole milk
8 packets hot cocoa mix
1 cup caramel coffee syrup
2 tsp kosher salt

Fresh-brewed coffee
Whipped cream
Caramel sundae topping

Put the milk, hot cocoa, caramel syrup and salt in a large saucepan and heat on medium, stirring occasionally until steaming. Do not boil!

To make a cup of latte, fill mug half-full with hot latte mix, then fill with fresh-brewed hot coffee. Top with whipped cream and drizzle with caramel sundae topping.
