

HELP US GET TO KNOW YOUR CHILD

Lingelstown Christian Nursery School

CHILD'S NAME: Last _____ First _____ Nick Name _____
Gender: Male Female Birthday _____ Form completed on (date) _____

Family History

Have there been any significant changes in your child's life in the past year? (e.g. death, separation, new baby, etc.)

Is there any additional information that would help us to relate to your child (e.g. food likes and dislikes, security items, fears, religious or cultural observations, vegetarian, other languages spoken in the home, etc.)

Do you practice your religious faith in your home as a family? Read the Bible/holy book? _____
Pray? _____ Any special traditions?

What form of discipline is used in your home? _____

Social History

Does your child have any experiences playing with other children? What ages?
Other preschool experiences?

When your child is upset, how do you comfort him or her? _____

What is your child's dominant hand for using pencil, crayons, etc. right left either

General Health History

Has your child had any medical problems before or since birth? Yes No

Is your child potty-trained? Yes No

Is your child in _____diapers? _____pull-ups? _____underwear?

Approximately how many hours of sleep does your child get? _____

What are your expectations/goals for your child this year?

Please complete the "Learn the Signs. Act Early." Questionnaire in addition to this paper.

Your Child at 3 Years

Child's Name _____

Child's Age _____

Today's Date _____

How your child plays, learns, speaks, acts, and moves offers important clues about your child's development. Developmental milestones are things most children can do by a certain age.

Check the milestones your child has reached by his or her 3rd birthday. Take this with you and talk with your child's doctor at every visit about the milestones your child has reached and what to expect next.

What Most Children Do at this Age:

Social/Emotional

- Copies adults and friends
- Shows affection for friends without prompting
- Takes turns in games
- Shows concern for a crying friend
- Understands the idea of "mine" and "his" or "hers"
- Shows a wide range of emotions
- Separates easily from mom and dad
- May get upset with major changes in routine
- Dresses and undresses self

Language/Communication

- Follows instructions with 2 or 3 steps
- Can name most familiar things
- Understands words like "in," "on," and "under"
- Says first name, age, and sex
- Names a friend
- Says words like "I," "me," "we," and "you" and some plurals (cars, dogs, cats)
- Talks well enough for strangers to understand most of the time
- Carries on a conversation using 2 to 3 sentences

Cognitive (learning, thinking, problem-solving)

- Can work toys with buttons, levers, and moving parts
- Plays make-believe with dolls, animals, and people
- Does puzzles with 3 or 4 pieces
- Understands what "two" means
- Copies a circle with pencil or crayon
- Turns book pages one at a time
- Builds towers of more than 6 blocks
- Screws and unscrews jar lids or turns door handle

Movement/Physical Development

- Climbs well
- Runs easily
- Pedals a tricycle (3-wheel bike)
- Walks up and down stairs, one foot on each step

Act Early by Talking to Your Child's Doctor if Your Child:

- Falls down a lot or has trouble with stairs
- Drools or has very unclear speech
- Can't work simple toys (such as peg boards, simple puzzles, turning handle)
- Doesn't speak in sentences
- Doesn't understand simple instructions
- Doesn't play pretend or make-believe
- Doesn't want to play with other children or with toys
- Doesn't make eye contact
- Loses skills he once had

Tell your child's doctor or nurse if you notice any of these signs of possible developmental delay for this age, and talk with someone in your community who is familiar with services for young children in your area, such as your local public school. For more information, go to www.cdc.gov/concerned or call 1-800-CDC-INFO (1-800-232-4636).
