

Linglestown Life - Sunday Morning Traffic Flow

Beginning Sunday, January 31 when you arrive at the church, please continue straight ahead on North Mountain Road onto the church property (See Below). Traffic flow will continue counter-clockwise through the new parking areas and exit using the Lower Lot (LL).

Two senior/handicapped parking areas are available: 1) In the area in front of the pavilion garages (H1), and 2) along the western edge of the old parking lot (H2). Visitor parking is also available along the western edge of the old parking lot (V1). Regular parking will be available in the new parking areas beside the pavilion (P1) and north of the old parking lot (P2). You may also park in the remaining sections of the old parking lot (P3). Parking will be available in the Lower Lot (LL).

Additional parking is available at the Chocolate Café (A1) and the Pamper You Salon (A2) lots. For your convenience, both of these lots also exit directly onto Linglestown Road.

Persons needing to access the handicapped entrance on the western end of the building (E3) may use the current access road along the south and west of the building. Persons needing to access the handicapped entrance on the northeast side (E2) of the church may be dropped off at that entrance.

The main entrance to the church (E1) is still accessible at this time. Thank you for your understanding and patience through these necessary changes.
