

## Website Design Team Forming

In an effort to make [www.LinglestownLife.org](http://www.LinglestownLife.org) a more valuable tool for disciples and those looking for more information about the church; a team is forming to redesign and update the website for Linglestown Life. If you have web design skills or have an interest in creating a premier presence on the internet for Linglestown Life please contact Rita Reynolds at [RDRCY@aol.com](mailto:RDRCY@aol.com). An interest inventory will be available soon for you to indicate what tools and information would be most helpful to you at our church website. Thanks for getting involved!
