

### **January Sermon Series – Through The Darkness**

You have felt like you are walking through a dark tunnel while looking for the light at the end. But some days, you've only experienced a longer tunnel and no glimmer of light.

While 2020 has been a challenge for our mental health, we are not the first, nor the last, to experience the range of emotions we have navigated.

So in what is often the longest, darkest month, Linglestown Life is tackling how we can learn to steer our way through these emotions.

Each week in January, we will examine the life of a biblical character who dealt with the emotions we are experiencing. From their experience, we will learn how to support and encourage one another in this journey through darkness to light.

- January 3 – Naomi: Through Despair to Hope
- January 10 – Job: Through Barrenness to Growth
- January 17 – Elijah: Through Anxiety to Peace
- January 24 – Through Loneliness to Connection

### **Call-In for Worship NO LONGER AVAILABLE**

Unfortunately the Call-In for Worship option is no longer available for our online services. If you or someone you know listens via phone, please call the church office to let us know who you/they are. We are working to find a new option.

*We are a community of faith, being transformed by God's grace, inspiring people to become disciples of Jesus.*

#### **Worship Will Remain ONLINE ONLY – For Now!**

At this time, we have decided to continue worshipping together online through the end of January. As we prayerfully consider a return to indoor worship, we thank you for your willingness to be flexible and your eagerness to engage with our community in our online services. We will keep you updated on any changes!

#### **Thank you!**

Pastor George and Rita would like to extend a big THANK YOU to the Linglestown Life community of faith for all of your Christmas greetings and gifts. You really blessed us on Christmas Eve at our Drive-in service. It was a joy to be a part of that special gathering. Your cards and gifts as well as the church's gift were each treasured.

#### **Community Classrooms Volunteers Needed!**

As you know, we have been helping 20 students do distance learning at the Rockville Campus this past semester as part of the Community Classrooms initiative. The new semester starts again on January 4th.

In order to continue offering this vital resource to these students, we need volunteers who can be present regularly on Wednesdays 10-12 or Thursdays 10-12 to help. The chaperoning process is simple and the relationships with these students are deeply meaningful. If you can help, please contact Pastor Taylor at [tpfaff@linglestownlife.org](mailto:tpfaff@linglestownlife.org).

#### **Linglestown Life Emergency Fund**

Our Linglestown Life community has generously funded an Emergency Fund for your immediate needs.

If you are experiencing a financial need due to layoffs, health crisis or other reasons, please contact Pastor George.

**Prayer Request Cards** are available. You may also contact the church office at 717-545-5200 ext. 0 to have your prayer placed on the Prayer List/Chain or contact Connie Moul at 717-652-3013 or call/text 717-649-0912.
