New Sermon Series – Jesus: Man of Mystery

An Urgent Mission –

It is almost a cliché among action-adventure stories. The almost – retired secret agent is compelled to go out on “one last mission,” and of course that mission ends up being the most challenging and death defying of his or her career. It is in our time of complacency, when we are content with ordinary life, that we are often most rudely shaken into action. Jesus shook four fishermen into action when he called them to be his disciples. Surprisingly, they respond quickly, without question, leaving everything they have to follow Jesus. What urgent mission might God be calling you to?

New Disciple Group

Have you been worshipping with Linglestown for a while and want to know more about our history? Curious about how you can be more involved? Ready to make the next step in making a greater commitment to Christ and this church? A new discipleship (our word for membership) class is forming, and will be meeting **TODAY, January 28th, and February 4th at 11:15am**. In this group we will learn more about Linglestown Life, the United Methodist Church, and our own walk with Jesus. Those who attend the class will be invited to join the church during either worship service on February 11th. **If have not signed up and are interested in joining the class, please join us downstairs in Room 3 today.**

Join our Facility Team!

Do you consider yourself a handy person? Do you enjoy doing home improvement projects? Would you love an opportunity to use your skills? We are currently building up our facilities team to accomplish projects around our church building throughout 2024. If you have a heart for this work, we'd love for you to join us. Please sign up on your connection card or contact the church office.

In Search of: Snow Shovelers!

The snow season is here and we are looking for volunteers to help clear the sidewalks at both of our campuses after a significant storm. Would you be willing to shovel our sidewalks at our Linglestown Campus after our parking lot is plowed or use the snowblower to clear the sidewalks at our Rockville campus? Those who sign up will be added to a list and contacted when needed. There is no obligation once you sign up, come and help when you can! Snow shovels (at Linglestown) and a snowblower (at Rockville) are provided. Thank you for keeping our spaces accessible and safe for the many people who use our buildings.

Special Church Conference – January 22, 2024

After our Annual Church Conference on December 17, we noticed a small error on the pastor salary worksheet. Following protocol, a special church conference needs to take place to vote on the correction. All disciples are welcome to come to this very brief meeting (it will only last a couple of minutes) at 6pm on January 22nd. If you have questions, please contact the church office.

Breaking Bread Together

On Christmas Eve, we came together for Breakfast Church and shared in celebrating Christmas through food, conversation, and community. This gathering was the pilot for Breaking Bread Together, a new form of church centered around a meal, a Jesus story, conversation, and community. Our next meal will be **Wednesday, January 31st at 5:30pm**. Do you know someone who is longing for community, but might not even think about attending traditional church? This space might be the perfect place to find belonging, and we encourage you to invite others! All ages are welcome! Please RSVP so we can prepare enough food: <https://bit.ly/31stBreakingBread>

Easter Cantata is Forming!

Any singers/instrumentalists interested in participating in our Easter Cantata on March 31st (Easter Sunday) are welcome to join us! Rehearsals start the week of January 31st. Reach out to Becca Wehner (beccawehner@linglestownlife.org) for more information!
